A SPECIAL DESIGN

Fully hand-engraved by Stefano Pedretti, the ultra-round action-body features our Sporter large scroll pattern, and on the underside of the action, a game scene vignette of a pheasant in flight.

The beautiful and highly figured stock is finished with a pistol grip and engraved pistol grip cap.

A detachable non-selective single trigger plate unit and two sets of barrels in 30in and 32in allow a quick switch to alternative set ups.

This truly special Purdey Sporter is London Proofed for steel and comes with a full set of Teague Chokes for both lead and steel shot.
